IMPORTANCE OF THE RESIDENT COUNCIL

Care Center Resident Council Meeting - Thursday, April 25th at 2:00 p.m.

Resident councils are important for many reasons. They provide a forum for residents to:

- Voice their concerns & recognize accomplishments.
- Influence how and what services are provided to residents.
- Plan activities for special events.
- Stay abreast of and offer a collective voice regarding regulations and legislation which may impact their lives.
- Use their talents, knowledge and experience to enhance their own lives and the lives of those around them.

A Chat With The Chaplain — A Monthly Devotional Thought

Rev. Max Goins

Rev. Max E. Goins
Chaplain

One of our favorite hymns is “In the Garden.” When we sing it, we are speaking in general about our garden of prayer. Today I want to take you to the garden that Jesus used as a very hallowed place. It was His place of prayer. The very last time Je-

sus went to that garden to pray was his last night on earth. Here is how Luke records it:

³⁹ Jesus went out as usual to the Mount of Olives, and his disciples followed him.⁴⁰ On reaching the place, he said to them, “Pray that you will not fall into temptation.”⁴¹ He withdrew about a stone’s throw beyond them, knelt down and prayed,⁴² “Father, if you are willing, take this cup from me; yet not my will, but yours be done.”⁴³ An angel from heaven appeared to him and strengthened him.⁴⁴ And being in anguish, he prayed more earnestly, and his sweat was like drops of blood falling to the ground⁴⁵ When he rose from prayer and went back to the disciples, he found them asleep, exhausted from sorrow.⁴⁶ “Why are you sleeping?” he asked them. “Get up and pray so that you will not fall into temptation.”

I would like for us to focus our attention on the underlined phrase in our text. **Father, if there be any other way, let this cup pass from me.** What was the cup that Jesus was hoping to avoid? Most of the commentaries on this passage say that it is death, especially death on the cross that Jesus wanted to avoid. Roman crucifixion was the most horrible way a person could die. It took long days

for it to be completed as death was normally brought about by a mixture of starvation and suffocation. Mark’s gospel tells us that **he began to be deeply distressed and troubled. He said that he was overwhelmed with sorrow to the point of death.** The second time he left his disciples to pray it says His sweat came as if it were great drops of blood. There is a medical condition called **hematohidrosis**, in which extreme stress causes a person to **“sweat drops of blood”**. Jesus was in extreme stress in the Garden of Gethsemane; stress like no other man has ever felt. What was causing that stress?

I fully believe that it was because the sinless son of God who had been **“tempted in every point of the Law but was without sin”** was soon going to **“become sin on our behalf, that we “might become the righteousness of God in Him.”**(Hebrews 4:15) . This sinless lamb of God was very soon going to become the fullness of sin in order that we might become righteous. (2 Cor 5:21).

Can you even imagine what it would be like for the sinless Jesus to become sin? The very thought of it filled Him with great anguish. His Father would forsake Him. God would turn His back on Him.

Yet, there was no other way, it was necessary for Jesus to drink the full cup of sin in order that you and I might drink the full cup of salvation.

Every time you fall into sin, I hope you are reminded that Jesus drank the cup that was filled with your sin, your sin and my sin, that we might become righteous in God’s sight. Wow!!! How amazing!!! My prayer is that you will allow it to soak into your soul. **Then you will never be the same.**

Sue Upchurch

Meet our April Resident of the Month . . . Sue Upchurch! She was born April 5, 1930 in Fort Smith. Her mother was a homemaker and her father was a pharmacist. She has one sister who is deceased.

She attended school in Fort Smith and later married Bill Upchurch. She was married for 50 years, before he passed last year. They were blessed with two children, three grandchildren and five great grandchildren.

Besides Arkansas, she has also lived in Wyoming and has traveled to Canada, Mexico and almost every state in the USA. Despite all of the places she has traveled, her favorite place to visit is anywhere with her family.

She enjoys Spring and what it brings; flowers and blue birds. Her favorite flowers are peonies. You can also catch her reading something written by John Grisham.

She has a sweet tooth and likes anything chocolate. When she gets to go out, her favorite restaurants are Olive Garden and Catfish Hole! Yum!

She has always looked up to her parents. She has been a part of the MVSL family since October 2018. Don't forget to tell her happy birthday this month!

Hello Ladies and Gentlemen,

Oh how sweet it is! March was the best spring forward so far. Taco Tuesday was so much fun, you made my day with your laughing and smiling faces! Laughter is so good for the soul. Thank you to the perfect gentleman, Mr. Randy Harrison, for showing the MVSL ladies so much love. We loved your surprise strawberry Blue Bunny ice cream with chocolate toppings and fresh Irish creamer for our coffee. How sweet it is to have someone to open the door for us and treat us special. These are examples of surprise pop-up activities around the IL campus! So come out and enjoy all the fun frivolities and exciting things yet to come!

Spring is in the air and as we all know, April showers bring May flowers. Join us for patio and flower talk as we fill our flower pots with dirt and color.

Our Ladies Auxiliary will be here for our Spring Fling and to provide the evening meal for the IL seniors on Thursday, April 18th at 5:00 p.m. in the activity center. There will be a RSVP sign up sheet in the activity center for you to sign if you plan to attend.

As we begin to cleanse our hearts, minds, and souls, we need to bond together in looking forward to all the exciting changes as we rise to our next level.

As Always, Love Thy Neighbor as Thyself,

Pamela Blocker,

Independent Living Director

Catching Up At The Care Center

From The Activity Office

Greetings Residents, Families, and Friends,

March was a fun filled month and we started the month out with a bang! On March 5th the residents had such a great time at the Mardi Gras party and parade. There was good food, music, laughter and fun. Some of the residents are still talking about wearing beads that they received at the party. The first place prize went to the Activity Department and the second place prize went to the Assisted Living group. Thank you to everyone who participated and helped make this activity a success for our residents!

On March 15th, we had our St. Patrick's Day party and found that many residents are not into Irish music but a lot of them like old country like Hank Williams.

We tried our hand at rock painting, and they will be displayed in our courtyard!

On March 18th, we started a Book Club, if you are interested in joining us or have any questions, drop by the Activity Office anytime!

On Saturday, April 6th, we will have the pleasure of having a flute player play for us and teach us the basics of playing. Please join us and see if you might be interested in learning with us. Lifelong learning keeps us young!

On Friday, April 19th, we will be having an Easter celebration at 2:30 p.m. in the dining room. On Thursday, April 25th is United Way Day of Caring where we will have Pepsi representatives join us for a special activity in the dining room, you

don't want to miss it!

On Tuesday, April 30th, we will be having a special bingo game with Euper Lane students joining us! We can't wait for all the fun to begin. Speaking of Euper Lane, we will be starting up a Pen Pal Club with the Euper Lane students! We will give you more details soon.

It's that time again! We are taking donations for our Spring Country Store, if you need more information please check with us in the Activity Department.

As always, we have Drums Alive, Music with Robert Huston for our monthly birthday party, movies and popcorn, crafts, Fancy Nails, cooking class, bingo and more!

See you in Activities,

Marla and Tori
