

FROM THE DESK OF OUR CEO...

Residents, Families, Friends and Team Members,

Well, the month of September has flown by like a leaf in the wind. It's supposed to feel like fall, however, as I am writing this letter it is 90 degrees outside!

Construction has started and is moving along! You may have noticed the big leaning pines are now gone. I truly hate to cut trees down, however, these two could have been hazardous to many cars and people!

Our culinary team is doing a great job preparing tasty meals! There have been some challenges for those eating in their rooms and receiving meals in a timely manner. Please know we are working diligently to serve hot delicious food during 7:30a - 9:30 for breakfast; 11:30a - 1:30p for lunch; and 4:30p - 6:30p for dinner. I want to encourage all our residents who are able, to please dine with us in the dining room. In doing so, your dining experience will be so much better! You can mingle with other residents, receive your meals faster and enjoy a true culinary experience. Please let your CNA or Nurse know you wish to dine in our beautiful dining room!

I want to give a huge shout out to our Life Enhancement Team! Kassie, Jamie, and Kelly have done a phenomenal job planning and executing some great activities! I look forward to seeing what they are doing every day!

New nightstands are being delivered to every resident in the Care Center this week! I know some of our residents have not received theirs yet, so be on the lookout!

Thank you all for your patience during these times of change, construction, and pandemic. We could not have asked for better residents, families, and staff. BIG applause to YOU!

We will be celebrating our employees on Oct. 14th for a campus wide APPRECIATION DAY! Our culinary partners, Forefront, will be barbecuing up some delicious food under big white tents! You are welcome to come by and eat some yummy food and tell our employees THANK YOU for all their hard work of the past year! Starting at 10:30am and ending at 2pm!

Thank you to all who have donated to our building fund, foundation, and our endowment! We could not do all we do for our residents, community, and staff without your generous donations. We are excited to say we have raised over \$476,960 to meet the \$616,000 goal to receive the \$154,000 Mabee Foundation Challenge Grant, so only **\$139,040** left to raise before the end of the year! If you would like to gift **ANY** amount, please do not hesitate to reach out to either myself or Carol Smith our Business Development Director.

We have some precious new faces on our campus! We want to welcome our new residents and new staff...you are now part of the Methodist Village Family or as we like to say, "The Village People." Please let us know if you need anything. Thank you, for choosing MVSL to be your home away from home!

Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you and learn of me: for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

Warmest,
Melissa Curry

FIRST UNITED METHODIST CHURCH

We received a \$5,000 check from Fort Smith First United Methodist Church as a result of a grant request for improvements to our campus. We are blessed to have such a great community that supports us and our mission to care for our elders.

CAMPUS EDUCATION DIRECTOR

Happy Fall, Ya'!!!

September was a very busy month in the Training Center with New Employee Orientation and Dementia Training. It's always fun to meet new people and welcome them to our family. Starting this month, Dementia Training will be held on Thursdays in the Training Center. The next class will begin Thursday, October 7, 2021. Any employee interested in attending, please see your supervisor to get signed up.

I am so glad it is finally October! Fall is my favorite season, and I start counting the days in August. I love everything it has to offer....colors changing in nature, cooler weather, wearing boots (Yay!), and the fact that the holidays are just around the corner. It is my hope and prayer that this month brings only good things to us all.

Blessings –

LIFE ENRICHMENT TEAM

Greetings residents and staff,

We have made it to October. Happy Fall everybody! The leaves on the trees often begin to change their colors during this month. Did you know that October is also National Pizza month and National Dessert month? We will be having two cooking groups. I would love for you to help us with these activities. We will be making homemade pizzas and Halloween cookies. In the spirit of Halloween, we will be having a Halloween coloring contest. In celebration of Fall, we are celebrating the season by having a Fall Fest on the 22nd of October. We will also be having a cookout with fun games to play. Join our celebration by wearing your favorite fall shirt. On October 29th we will be having a Halloween costume contest between staff and residents for you to judge in the dining room at 10:30 AM. Our Halloween party will be that afternoon at 2:15. Come join us in the SPOOKtacular fun!!!

I'm so very happy that we're able to do group activities together again.

"May the Lord blessed you and keep you."

Residents, Families and Staff:

First let me say that I am honored to be a part of Team Methodist. I am excited and definitely a little nervous about my new role at the facility. I am also very thankful that I have such a knowledgeable team to assist me.

I am a huge believer in the power of communication. There are essentially five types of communication:

1. Verbal
2. Non-verbal-such as touch, body language
3. Written-e-mails, letters
4. Visual-art, Facebook memes
5. Listening-not just being quiet while the other is talking but actually HEARING what the other person is saying.

Over the next few weeks, my goal is to meet each of the POAs and responsible parties and to open that line of communication that is so important to a strong and successful team.

Colossians 4:6-Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man.

FROM THE DESK OF OUR AL/ASCU LIFE ENRICHMENT DIRECTOR

Hello all!

Happy October!!! I absolutely love this time of year! This past month we really got into the fall spirit with several seasonal activities! The same goes for this month. As the weather gets cooler, we will still find ways to stay active! I am so into Halloween, and I love the idea of dressing up and having fun with it! I think it brings out the child in all of us and that's a good thing to tap into! Project Compassion will be coming out to visit with us quite a bit this month and have exciting things planned for us! These wonderful volunteers are such a invaluable resource for us and I hope you all enjoy getting to know them better! Monster Mondays will start this month! Every Monday evening at 3pm I will be playing retro Halloween films and shows, (The Munster's, The Adams Family, Dracula (1931), Frankenstein (1930), are just a few examples! We also will be partnering with Jack and Jill daycare for a Halloween parade! As always don't hesitate to reach out if you need anything!

Happy Fall Methodist Village!

Over the next few weeks we are going to have the most beautiful scenery right out of our front door with the changing of the colors of our autumn leaves. The light coral/pink leaves are my absolute favorite ones during this time, as I drive it's always those colored trees that really catch my eye. The fall candles, chilly nights, and pumpkin flavored EVERYTHING are just a few of my favorite things about the season as well as the costumes! Another autumn tradition for me and my family has to be all of the soups that we make. Chicken noodle, Italian sausage kale tortellini, potato, and scratch made chicken and dumplings really hit the spot on those rainy days and cold nights! I am looking forward to all of the children in our area dressing up and stopping by for a treat, make sure to follow hand hygiene precautions and mask wearing during this time to ensure you and your families health during these excursions this season, I hope everyone has a happy October full of fall fun!

Warmest regards,
Kay Laird ADM/RN

INPATIENT AND OUTPATIENT REHABILITATION

What is Long-Term Care (LTC) and Who Needs it?

Long-term care (LTC) is a range of services and supports you may need to meet your personal care needs. At some point in our lives, approximately 60 percent of us will need assistance with things like getting dressed, driving to appointments, or making meals. Planning is crucial. Many people are not sure what is covered by insurance, and people are often misinformed about what is covered by Medicare.

Although most people occasionally think about the need for long-term care, it is not high on a list of concerns. Most people don't think about long-term care until it's needed which can cause a great deal of stress. It is important to plan for the possibility of needing LTC and having conversations with your family about your wishes.

Being unexpectedly thrust into a LTC setting can be very catastrophic to an individual. LTC typically causes a loss of security because people feel a loss of independence, a loss of their previously good health, and concerns over assets/finances.

In a LTC facility, Medicare will cover rehabilitation from a hospital stay if there is a skilled (medical) need, but does not cover LTC. Medicaid will cover both medical and non-medical related long-term care but in order to qualify for Medicaid a person has to have less than \$2,000 in assets and income that is insufficient to pay the cost of care. In other words a person must be impoverished. Otherwise, Medicaid will not pay.

Taking the time to set up a plan for long-term care gives your family members and caregivers the permission to make decisions and spend money to get you the care you need. Without setting up a plan ahead of time, family caregivers must make decisions about how to fund care and how to provide care. Having a plan in place allows you to have more choices, allows you to direct the decisions being made about your care, and helps you and your family feel less overwhelmed in the future. There are many resources available to help you plan for long term care. Reach out to your family and loved ones and develop a plan today.
